April 21, 2010

Welcome!

We are so glad that you chose to join us on the Wilderness Leadership Course in the Sangre de Cristo Mountains in Colorado. The course runs from **July 19-30, 2010** and is designed for a small group of 6 to 10 participants. This packet includes everything you need to know about getting here and what you will need to bring for this training. Please read through this packet carefully and fill out and mail the attached paperwork no later than June 1 to OLTS (see address below). Please note that 50% of the total payment is due May 15th, and the balance is due no later than June 15th. Please contact us with any questions.

Our course will **begin at 9am on July 19th**. We will meet in the parking lot of the Boulder Public Library on Arapahoe Avenue and begin the course with 2 days of pre-trip planning, trip logistics, and group activities. Please see the itinerary (attached) for more information. Out-of-town participants should **arrive in Boulder July 18th** in order to acclimate to the altitude and to be ready to begin promptly the following morning.

We will depart for the mountains early July 21st and be in the wilderness until the afternoon of the 29th. We will hike out of the mountains July 29th and return to Boulder that evening (stopping for dinner along the way). We will meet again at **9am on the 30th** to do post-trip clean-up and equipment repair, debrief, and bring closure to the trip. We anticipate being done by 1 pm. If you need to plan a flight out of the Denver airport, we request that you **schedule your return flight after 5pm on the 30th or for the next morning** to allow for flexibility in completing post-trip activities.

Cost includes trip meals (except dinner on the 29th). If you need any help gathering the appropriate gear please let us know.

Again, please contact us with any questions you may have:

About OLTS:

Since 1973, Outdoor Leadership Training Seminars has been offering unique outdoor adventure experiences in rockclimbing, mountaineering, backcountry skiing, whitewater rafting, wilderness backpacking in the mountains, canyons, and deserts of Colorado, Utah, Arizona and New Mexico. Founded by Rick Medrick, Ed.D, OLTS supports the discovery of personal leadership through transformational outdoor growth experiences. OLTS is committed to a deep ecological perspective towards human's place on the planet, an ecological approach that seeks to heal the earth and humans through connection in nature, and a commitment to spiritual development and integration.

ABOUT THE 12-DAY WILDERNESS LEADERSHIP COURSE:

This course is designed for those individuals who are seeking exposure to a wide-variety of wilderness leadership skills and training and how to apply them. The remote wilderness of the Sangre de Cristo Mountains of southern Colorado will serve as the container for our learning experience. It is a wonderful place to connect with nature, practice awareness and contemplative skills, be challenged, and discover your own unique leadership style. We will camp in high alpine cirques, hike along deep, clear lakes, through grassy slopes and alpine flowers, cross cascading creeks, traverse over mountain passes, and climb (weather permitting) to spectacular views of the summits of Broken Hand, Crestone, or Humboldt Peaks. Through experience, lecture, and discussion, we will address trip preparation, safety, camp craft, guiding, Earth-living skills, basic mountaineering, and outdoor teaching. We will cover how to read a topographical map and compass, how to navigate safely through remote mountain terrain, how to facilitate a group, and work with group dynamics. The undercurrent of the course will be the exploration of the spiritual, therapeutic, relational, and metaphorical elements of the wilderness.

Our course will begin at 9am on July 19th (Boulder Public Library on Arapahoe Avenue), with two days of pre-trip planning, trip logistics, and group activities. We will provide lunch during these two days, throughout our time in the wilderness, and on the last day of the course. Please see the itinerary (attached) for more information. We recommend that out-of-town participants arrive in Boulder on July 18th to acclimate to the altitude and to be ready to begin promptly the following morning. We reserve the right to alter the trip, change the site and itinerary as weather, environmental conditions, or the needs of the group may require. We will return to Boulder on the evening of July 29th stopping for dinner along the way and meet again at 9 am on July 30th to do post-trip clean-up and equipment repair, debrief, and trip closing. Special travel needs may be able to be accommodated. Cost includes trip meals (except dinner on the 29th).

PREREQUISITE:

Due to the rugged and remote nature of the mountains, we encourage pre-trip physical training and it is required that participants are fit enough to run/jog at least 2 miles without stopping. You will be hiking 3-8 miles/day with a pack weight up to 50 lbs, and traveling at an average altitude of 11,000'. We recommend a pre-trip training program of 1 hour of cardio 3 times/week, including hill or stair climbing. And, if at all possible, spend time at higher altitudes. Please contact us for further information.

THE INSTRUCTORS:

Lorene Wapotich, M.Ed. - Lorene is the director and lead instructor for Her Feet on the Earth, a Colorado-based non-profit. She has nearly 20 years experience as a wilderness guide, educator, and herbalist in the Wise Woman Tradition, and is a certified Wilderness First Responder. She completed her outdoor leadership training through OLTS in 1995 and has worked for numerous adventure programs throughout the country. Lorene holds a Bachelor's Degree in Wilderness Leadership and Natural History Education and a Masters in Education. Through her graduate work, Lorene developed a model for using long-term, nature-based mentoring and community-supported wilderness rites of passage to enhance positive identity formation, connection to authentic self, and the development of resilience in pre-adolescent and adolescent girls. This model is currently in use and taught through Her Feet on the Earth. Lorene is a dynamic teacher who is passionate about connecting people, particularly females, with nature and their inner power and wisdom.

Mary Sweeney, Ph.D. - Mary's 25 year career in education, psychology, wilderness skills, and alternative healing arts led her to the study of nature as a healing medium and to a Ph.D. in Adult Learning. This past decade she has passionately pursued ancient ways of living, including healing and spiritual traditions. Her primary interests are ancient dream journeying and using ancient living skills as a contemplative practice. Mary is currently Core Faculty for the Adventure-Based and Eco-Therapy concentrations within the Counseling Psychology Department of Prescott College's Master of Arts program.

Caitlin Slutzky, M.A. - Caitlin weaves together her love of the natural world with her love of the human spirit as she supports others in deepening their relationships with self, other, and nature. This passion has underscored her 10 years of professional experience working in a variety of educational and therapeutic roles, including an elementary and high school educator, wilderness guide for teens and young adults, and psychotherapist. She combines her passions for authentic expression, contemplative and mindfulness practices, expressive arts, and body-mind integration to help empower individuals to unlock their creative essence and personal truths. She received her BA in Environmental Studies from UC Santa Cruz and her MA in Counseling Psychology with an emphasis in Wilderness Therapy from Naropa University. She is a certified Wilderness First Responder.

In consideration of the services of **MCD CORPORATION (dba OUTDOOR LEADERSHIP TRAINING SEMINARS)**, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "**MCD**"), I hereby agree to release and discharge **MCD**, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that outdoor adventure based activities such as river trips, backpacking and hiking, cross country skiing, rock climbing, and ropes course activities entail known and unanticipated risks which could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: slipping and falling; falling objects; water hazards; exhaustion; exposure to temperature and weather extremes which could cause: hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; and exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; equipment failure; and improper lifting or carrying.

Furthermore, **MCD** guides have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless **MCD** from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of **MCD's** equipment or facilities, **including any such claims which allege negligent acts or omissions of MCD**

4. Should **MCD** or anyone acting on its behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against **MCD**, I agree to do so solely in the state of Colorado, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against MCD on the basis of any claim from which I have released them herein.

I hereby consent to the use of any program photograph, video/film, voice/quote as a result of my participation in this program and its use for publicizing, advertising and/or exhibiting this program in perpetuity by all media.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
